- **German - basics**

SKILLS AND CAPABILITIES

DATABASE

- Database modeling, programming and administration
 - **Oracle (excellent)**
 - **MySql (excellent)**
 - Microsoft SQL (very good)
- Oracle technologies
 - **PL/SQL (excellent)**
 - **Oracle Reports (very good)**
 - **Oracle Forms (very good)**
 - **Oracle Designer (good)**
 - **APEX (very good)**

BUSINESS INTELLIGENCE

- Data warehouse and data mining – Nova View
- Capability Maturity Model Integration (CMMI - <http://www.sei.cmu.edu/cmmi/>)

PROGRAMMING LANGUAGE

- **Java (excellent)**
- **J2EE (jsf, jsp, ejb) (very good)**
- **C (good)**
- **Pascal, Delphi (very good)**
- **PHP (excellent)**
- **Ruby, Ruby on Rails (good)**
- JavaScript, AJAX (good)
- Perl (basic)
- BASH (good)
- Flex, ActionScript (basic)

- FRAMEWORK
- MathLab (basic)
 - **WordPress (excellent)**
 - **Magento (excellent)**
 - **Zend (very good)**
 - JavaServer Faces (very good)
 - Struts (good)
- SOFTWARE
- **Photoshop (excellent)**
- THEORY
- basic knowledge of Operative Systems, Computer Networks, Multimedia systems
 - advanced knowledge of WWW
 - basic knowledge of Project Management, Software Testing
 - Mathematical analysis, Discrete mathematics, Probability and statistics, Numerical analysis

ADDITIONAL COMPETENCES

Member of Mensa International.
Driving license, B category

INTERESTS AND HOBBIES

- database, SAP, information systems, Internet, web development and design,
- digital photography
- sport – basketball, football, jogging
- classic literature, music, cinematography, comics
- astrophysics
- Greek mythology
- Snoopy
